with Over A Decade Of Experience

Who We Are

- Cargo Worldwide Sri Lanka (CGWW) proudly represents Cargo Worldwide Inc. USA.
- Delivering excellence in logistics since 2008, specializing in the key trade corridor between India and the USA.
- Offering end-to-end logistics services for both exports and imports via sea and air across the globe.
- Your one-stop solution for all logistics needs, including seamless door-to-door delivery.
- Operates own warehouses in Los Angeles, Houston, New York, and West Virginia to ensure efficient handling and storage.
- Utilizes a fleet of 25 trucks across the USA to guarantee reliable and timely deliveries.

CGWW VOLUME OVER THE LAST 5 YEARS

Our Core Values

Anchor of Trust

Unwavering reliability and accuracy in every delivery

1

Efficiency

Ensuring timely and cost-effective cargo handling.

2

Heart Of Service

Service-driven approach putting customers at the center.

3

True North

Integrity and a steadfast moral compass in all actions.

4

Future Ready

Embodying a forward-thinking mindset and innovative growth.

5

Why CarGo Worldwide?

Honest & Efficient Work

We at CarGo Worldwide believe that we are the optimum choice for your logistics and freight forwarding needs. We pride ourselves on our local, regional, and global abilities to deliver outstanding service, all while identifying as a relatively smaller company. We firmly conceive that our size equips us with the capacity to deliver customizable, adaptable service to our clients depending on their specific needs.

Lastly, we want you to know that it is all about you. Because of our relatively smaller size, we would love to have you and your business grow with us over time. In doing so, we guarantee to put your business before our own; Because your operation is just as critical to our success as our own.

The background of the slide is a high-angle, aerial photograph of a large container ship sailing on the ocean. The ship is loaded with numerous colorful shipping containers (red, blue, green, yellow) stacked on its deck. The ship is moving from the top left towards the bottom right, leaving a white wake behind it.
